A screenshot of a file explorer window. The top bar shows 'Paneles' on the left, 'Diseño' in the center, and 'Vista actual' on the right. Below the bar, a breadcrumb path reads 'Este equipo > Escritorio > Curso > Kata 10'. On the left side, a sidebar lists various system folders like 'rápido', 'rio', 'gas', 'mentos', and 'nes', each with a small icon. The main area displays a table of files. The table has four columns: 'Nombre', 'Fecha de modificación', 'Tipo', and 'Tamaño'. Two files are listed: 'config.py' and 'open.py', both with a blue icon, a modification date of 17/02/2022, a type of 'Archivo PY', and a size of 1 KB.
